6.30PM-11.00PM	Hotel	About the night- Imagine it's the 1940s; the world is a better place, there are no mobile phones, and we use biodegradable & Natural substances. The air is still cleaner, and people wear clothes that do not affect the environment yet. It is a time when people interact with people in social gatherings, where they enjoy each other's company. Keep the imagination running; you are in a room with like-minded people. They are interested in similar topics and concerned with similar issues; despite the differences, they are good company. There is a melody playing in the background. Maybe it is one of the most beautiful moments to imagine and more fascinating to live in today in the 21st century. Prepare yourself for a night like this; prepare yourself to enjoy a melodious night from the past.
